Credit Service Charge for Consumer Credit Sales other than Revolving Charge Accounts-(1) With respect to a consumer credit sale, other than a sale pursuant to a revolving charge account, a seller may contract for and receive a credit service charge not exceeding that permitted by this section.

(2) The credit service charge, calculated according to the actuarial method, may not exceed the equivalent of the greater of either of the following:

- (a) the total of:
 - (i) thirty-six percent (36%) per year on that part of the unpaid balances of the amount financed which is three hundred dollars (\$300) or less;
 - (ii) twenty-one percent (21%) per year on that part of the unpaid balances of the amount financed which is more than three hundred dollars (\$300) but does not exceed one thousand dollars (\$1,000); and
 - (iii) fifteen percent (15%) per year on that part of the unpaid balances of the amount financed which is more than one thousand dollars (\$1,000); or
- (b) twenty-one percent (21%) per year on the unpaid balances of the amount financed.

(3) This section does not limit or restrict the manner of contracting for the credit service charge, whether by way of add-on, discount, or otherwise, so long as the rate of the credit service charge does not exceed that permitted by this section. If the sale is precomputed:

- (a) the credit service charge may be calculated on the assumption that all scheduled payments will be made when due; and
- (b) the effect of prepayment is governed by the provisions on rebate upon prepayment (IC 24-4.5-2-210).

(4) For the purposes of this section, the term of a sale agreement commences with the date the credit is granted or, if goods are delivered

C

or services performed more than thirty (30) days after that date, with the date of commencement of delivery or performance except as set forth below:

(a) Delays attributable to the customer. Where the customer requests delivery after the thirty (30) day period or where delivery occurs after the thirty (30) day period for a reason attributable to the customer (including but not limited to failure to close on a residence or failure to obtain lease approval), the term of the sale agreement shall commence with the date credit is granted.

(b) Partial Deliveries. Where any portion of the order has been delivered within the thirty (30) day period, the term of the sale agreement shall commence with the date credit is granted.

Differences in the lengths of months are disregarded and a day may be counted as one-thirtieth (1/30) of a month. Subject to classifications and differentiations the seller may reasonably establish, a part of a month in excess of fifteen (15) days may be treated as a full month if periods of fifteen (15) days or less are disregarded and that procedure is not consistently used to obtain a greater yield than would otherwise be permitted.

(5) Subject to classifications and differentiations the seller may reasonably establish, ~~the~~ **the seller** may make the same credit service charge on all amounts financed within a specified range. A credit service charge so made does not violate subsection (2) if:

(a) when applied to the median amount within each range, it does not exceed the maximum permitted by subsection (2); and

(b) when applied to the lowest amount within each range, it does not produce a rate of credit service charge exceeding the rate calculated according to paragraph (a) by more than eight percent (8%) of the rate calculated according to paragraph (a).

(6) Notwithstanding subsection (2), the seller may contract for and receive a minimum credit service charge of not more than thirty dollars (\$30). **The minimum credit service charge allowed under this subsection may be imposed only if:**

(a) the borrower prepays in full a consumer credit sale, refinancing, or consolidation, regardless of whether the sale, refinancing, or consolidation is precomputed;

(b) the sale, refinancing, or consolidation prepaid by the borrower is subject to a credit service charge that:

(i) is contracted for by the parties; and

(ii) does not exceed the rate prescribed in subsection (2); and

(c) the credit service charge earned at the time of prepayment

C
o
p
y

is less than the minimum credit service charge contracted for under this subsection.

(7) The amounts of three hundred dollars (\$300) and one thousand dollars (\$1,000) in subsection (2) are subject to change pursuant to the provisions on adjustment of dollar amounts (IC 24-4.5-1-106).

(8) The amount of thirty dollars (\$30) in subsection (6) is subject to change under the provisions on adjustment of dollar amounts (IC 24-4.5-1-106). However, notwithstanding IC 24-4.5-1-106(1), the Reference Base Index to be used under this subsection is the Index for October 1992.

SECTION 5. IC 24-4.5-3-201 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 201. Loan Finance Charge for Consumer Loans other than Supervised Loans—(1) Except as provided in subsections (6) and (8), with respect to a consumer loan other than a supervised loan (IC 24-4.5-3-501), a lender may contract for a loan finance charge, calculated according to the actuarial method, not exceeding twenty-one percent (21%) per year on the unpaid balances of the principal.

(2) This section does not limit or restrict the manner of contracting for the loan finance charge, whether by way of add-on, discount, or otherwise, so long as the rate of the loan finance charge does not exceed that permitted by this section. If the loan is precomputed:

- (a) the loan finance charge may be calculated on the assumption that all scheduled payments will be made when due; and
- (b) the effect of prepayment is governed by the provisions on rebate upon prepayment (IC 24-4.5-3-210).

(3) For the purposes of this section, the term of a loan commences with the date the loan is made. Differences in the lengths of months are disregarded, and a day may be counted as one-thirtieth (1/30) of a month. Subject to classifications and differentiations the lender may reasonably establish, a part of a month in excess of fifteen (15) days may be treated as a full month if periods of fifteen (15) days or less are disregarded and if that procedure is not consistently used to obtain a greater yield than would otherwise be permitted. For purposes of computing average daily balances, the creditor may elect to treat all months as consisting of thirty (30) days.

(4) With respect to a consumer loan made pursuant to a revolving loan account:

- (a) the loan finance charge shall be deemed not to exceed the maximum annual percentage rate if the loan finance charge contracted for and received does not exceed a charge in each monthly billing cycle which is one and three-fourths percent (1

**C
o
p
y**

3/4%) of an amount no greater than:

- (i) the average daily balance of the debt;
- (ii) the unpaid balance of the debt on the same day of the billing cycle; or
- (iii) subject to subsection (5), the median amount within a specified range within which the average daily balance or the unpaid balance of the debt, on the same day of the billing cycle, is included; for the purposes of this subparagraph and subparagraph (ii), a variation of not more than four (4) days from month to month is "the same day of the billing cycle";
- (b) if the billing cycle is not monthly, the loan finance charge shall be deemed not to exceed the maximum annual percentage rate if the loan finance charge contracted for and received does not exceed a percentage which bears the same relation to one-twelfth (1/12) the maximum annual percentage rate as the number of days in the billing cycle bears to thirty (30); and
- (c) notwithstanding subsection (1), if there is an unpaid balance on the date as of which the loan finance charge is applied, the lender may contract for and receive a charge not exceeding fifty cents (\$0.50) if the billing cycle is monthly or longer, or the pro rata part of fifty cents (\$0.50) which bears the same relation to fifty cents (\$0.50) as the number of days in the billing cycle bears to thirty (30) if the billing cycle is shorter than monthly, but no charge may be made pursuant to this paragraph if the lender has made an annual charge for the same period as permitted by the provisions on additional charges (paragraph (c) of subsection (1) of IC 24-4.5-3-202).

(5) Subject to classifications and differentiations, the lender may reasonably establish and make the same loan finance charge on all amounts financed within a specified range. A loan finance charge does not violate subsection (1) if:

- (a) when applied to the median amount within each range, it does not exceed the maximum permitted by subsection (1); and
- (b) when applied to the lowest amount within each range, it does not produce a rate of loan finance charge exceeding the rate calculated according to paragraph (a) by more than eight percent (8%) of the rate calculated according to paragraph (a).

(6) With respect to a consumer loan not made pursuant to a revolving loan account, the lender may contract for and receive a minimum loan finance charge of not more than thirty dollars (\$30). **The minimum loan finance charge allowed under this subsection may be imposed only if:**

C
o
p
y

- (a) the borrower prepays in full a consumer loan, refinancing, or consolidation, regardless of whether the loan, refinancing, or consolidation is precomputed;**
- (b) the loan, refinancing, or consolidation prepaid by the borrower is subject to a loan finance charge that:**
 - (i) is contracted for by the parties; and**
 - (ii) does not exceed the rate prescribed in subsection (1);**
- and**
- (c) the loan finance charge earned at the time of prepayment is less than the minimum loan finance charge contracted for under this subsection.**

(7) The amount of thirty dollars (\$30) in subsection (6) is subject to change under the provisions on adjustment of dollar amounts (IC 24-4.5-1-106). However, notwithstanding IC 24-4.5-1-106(1), the Reference Base Index to be used under this subsection is the Index for October 1992.

(8) In addition to the loan finance charge provided for in this section, a lender may contract for the following:

- (a) With respect to a consumer loan that is not made under a revolving loan account, a loan origination fee of not more than two percent (2%) of the loan amount.
 - (b) With respect to a consumer loan that is made under a revolving loan account, a loan origination fee of not more than two percent (2%) of the line of credit that was contracted for.
- (9) The charges provided for in subsection (8):
- (a) are not subject to refund or rebate;
 - (b) are not permitted if a lender makes a settlement charge under IC 24-4.5-3-202(d)(ii); and
 - (c) are limited to two percent (2%) of the part of the loan that does not exceed two thousand dollars (\$2,000), if the loan is not primarily secured by an interest in land.

Notwithstanding subdivision (a), if a lender retains any part of a loan origination fee charged on a loan that is paid in full by a new loan from the same lender within three (3) months after the date of the prior loan, the lender may charge a loan origination fee only on that part of the new loan not used to pay the amount due on the prior loan, or in the case of a revolving loan, the lender may charge a loan origination fee only on the difference between the amount of the existing credit line and the increased credit line. This subsection does not prohibit a lender from contracting for and receiving a fee for preparing deeds, mortgages, reconveyance, and similar documents under IC 24-4.5-3-202(d)(ii), in addition to the charges provided for in

subsection (8).

SECTION 8. IC 24-4.5-3-508 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 508. Loan Finance Charge for Supervised Loans—(1) With respect to a supervised loan, including a loan pursuant to a revolving loan account, a supervised lender may contract for and receive a loan finance charge not exceeding that permitted by this section.

(2) The loan finance charge, calculated according to the actuarial method, may not exceed the equivalent of the greater of either of the following:

- (a) the total of:
 - (i) thirty-six percent (36%) per year on that part of the unpaid balances of the principal which is three hundred dollars (\$300) or less;
 - (ii) twenty-one percent (21%) per year on that part of the unpaid balances of the principal which is more than three hundred dollars (\$300) but does not exceed one thousand dollars (\$1,000); and
 - (iii) fifteen percent (15%) per year on that part of the unpaid balances of the principal which is more than one thousand dollars (\$1000); or

(b) twenty-one percent (21%) per year on the unpaid balances of the principal.

(3) This section does not limit or restrict the manner of contracting for the loan finance charge, whether by way of add-on, discount, or otherwise, so long as the rate of the loan finance charge does not exceed that permitted by this section. If the loan is precomputed:

(a) the loan finance charge may be calculated on the assumption that all scheduled payments will be made when due; and

(b) the effect of prepayment is governed by the provisions on rebate upon prepayment (IC 24-4.5-3-210).

(4) The term of a loan for the purposes of this section commences on the date the loan is made. Differences in the lengths of months are disregarded, and a day may be counted as one-thirtieth (1/30) of a month. Subject to classifications and differentiations the lender may reasonably establish, a part of a month in excess of fifteen (15) days may be treated as a full month if periods of fifteen (15) days or less are disregarded and that procedure is not consistently used to obtain a greater yield than would otherwise be permitted.

(5) Subject to classifications and differentiations, the lender may reasonably establish and make the same loan finance charge on all principal amounts within a specified range. A loan finance charge does not violate subsection (2) if:

(a) when applied to the median amount within each range, it does not exceed the maximum permitted in subsection (2); and

(b) when applied to the lowest amount within each range, it does not produce a rate of loan finance charge exceeding the rate calculated according to paragraph (a) by more than eight percent (8%) of the rate calculated according to paragraph (a).

(6) The amounts of three hundred dollars (\$300) and one thousand dollars (\$1,000) in subsection (2) and thirty dollars (\$30) in subsection (7) are subject to change pursuant to the provisions on adjustment of dollar amounts (IC 24-4.5-1-106). For the adjustment of the amount of thirty dollars (\$30), the Reference Base Index to be used is the Index for October 1992.

(7) With respect to a supervised loan not made pursuant to a revolving loan account, the lender may contract for and receive a minimum loan finance charge of not more than thirty dollars (\$30).

The minimum loan finance charge allowed under this subsection may be imposed only if:

(a) the borrower prepays in full a consumer loan, refinancing, or consolidation, regardless of whether the loan, refinancing, or consolidation is precomputed;

C
o
p
y

(b) the loan, refinancing, or consolidation prepaid by the borrower is subject to a loan finance charge that:

(i) is contracted for by the parties; and

(ii) does not exceed the rate prescribed in subsection (2); and

(c) the loan finance charge earned at the time of prepayment is less than the minimum loan finance charge contracted for under this subsection.

(b) Subject to such regulations as the department finds to be necessary and proper, any bank or trust company shall have the following powers:

- (4) To extend credit to any state agency, with the approval of the department, notwithstanding any other provisions or limitations of IC 28-1. No law of this state prescribing the nature, amount, or form of security or requiring security upon which loans or

(5) To purchase, take, hold, and dispose of notes, and mortgages securing such notes, made to any joint stock land bank heretofore incorporated, in any case in which not less than ninety-nine percent (99%) of the stock of said joint stock land bank is owned by the bank or trust company at the time such notes or mortgages be acquired by the bank or trust company; and upon dissolution of any such joint stock land bank, or at any stage in the process of such dissolution, any bank or trust company then owning not less than ninety-nine percent (99%) of the stock of such joint stock land bank may take, hold, and dispose of any notes, mortgages, or other assets of such joint stock land bank of whatsoever nature, including real estate, wheresoever situated, which such joint stock land bank shall assign, transfer, convey, or otherwise make over to such bank or trust company by way of final or partial distribution of its assets to its stockholders upon such dissolution or in connection with the process of such dissolution. No law of this state prescribing the nature, amount, location, or form of security, or requiring security upon which loans or advances of credit may be made, or prescribing or limiting interest rates upon loans or advances of credit, or prescribing or limiting the period for which loan or advances of credit may be made, or prescribing any ratio between the amount of any loan and the appraised value of the security for such loan, or requiring periodical reductions of the principal of any loan, shall be deemed to apply to loans, notes, mortgages, real estate, or other assets mentioned in this subdivision.

In the absence of actual fraud in the transaction, the judgment of the directors as to the consideration

Any bank or trust company exercising the powers granted in this subsection may, to the extent approved by the department, have authorized and unissued stock required to fulfill any stock option or other arrangement authorized herein.

(7) Subject to such restrictions as the department may impose, to become the owner or lessor of personal or real property acquired upon the request and for the use of a customer and to incur such additional obligations as may be incident to becoming an owner or lessor of such property.

(8) To purchase or construct buildings and hold legal title thereto to be leased to municipal corporations or other public authorities, for public purposes, having resources sufficient to make payment of all rentals as they become due. Each lease agreement shall provide that upon expiration, the lessee will become the owner of the building.

(8.1) Subject to the prior written approval of the department, and notwithstanding section 5 of this chapter, to purchase, hold, and convey real estate which is:

(A) improved or to be improved by a single, freestanding building; and

(B) to be used, in part, as a branch **or the principal office** of that bank or trust company and, in part, as rental property for one (1) ~~lessee~~ **or more lessees**.

Unless a written extension of time is given by the department, the bank or trust company shall open ~~its~~ **the branch or principal office** within two (2) years from the acquisition date of the real estate. If the bank or trust company does not open a branch **or its principal office** on the real estate in that time period or if the bank or trust company removes its branch **or principal office** from the real estate, the bank or trust company shall divest itself of all interest in the real estate within five (5) years from the acquisition date of the real estate, if a branch was not opened, or five (5) years from the removal date of the branch office, **whichever applies**. Except with the written approval of the department, the sum invested in real estate and buildings used for the convenient transaction of its business as provided in this subdivision shall not exceed fifty percent (50%) of the sound capital of ~~that~~ **the** bank or trust company as provided in section 5 of this chapter.

(9) To invest in community development corporations and projects of a predominantly civic, community, or public nature,

(A) in any one (1) project, two percent (2%); and

(B) in the aggregate, five percent (5%);

of the capital and surplus of the bank or trust company, unless the director makes the determination set forth in subsection (c). As used in this subdivision and in subsection (c), "capital and surplus" has the meaning set forth in IC 28-1-13-1.1.

(10) Subject to section 3.2 of this chapter, to exercise the rights and privileges (as defined in section 3.2(a) of this chapter) that are or may be granted to national banks domiciled in Indiana.

(c) Investments by a bank or trust company under subsection ~~(b)(10)~~ **(b)(9)** may exceed the limit set forth in subsection ~~(b)(10)(B)~~ **(b)(9)(B)** if the director determines that:

(1) the aggregate investments by the bank or trust company under subsection ~~(b)(10)~~ **(b)(9)** in excess of five percent (5%) of the capital and surplus of the bank or trust company will not pose a significant risk to the affected deposit insurance fund; and

(2) the bank or trust company is adequately capitalized.

However, in no case shall the aggregate investments by a bank or trust company under subsection ~~(b)(10)~~ **(b)(9)** exceed ten percent (10%) of the capital and surplus of the bank or trust company.

(d) A bank or trust company shall not make any investment under subsection ~~(b)(10)~~ **(b)(9)** if the investment would expose the bank or trust company to unlimited liability.

(e) Any rule made and promulgated under and pursuant to this section may apply to one (1) or more banks or trust companies or to one (1) or more localities in the state as the department, in its discretion, may determine.

SECTION 31. IC 28-1-20-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 4. (a) Except as provided in subsections (c), (d), (g), and (k), it is unlawful for any person, firm, limited liability company, or corporation (other than a bank or trust company, a bank holding company, a subsidiary of a bank or trust company, a subsidiary of a bank holding company, a subsidiary of a savings bank, a subsidiary of a savings association, or a corporate fiduciary organized or reorganized under IC 28 or statutes in effect at the time of organization or reorganization or under the laws of the United States):

(2) to advertise or represent the person, firm, limited liability company, or corporation to the public:

(A) as a bank or trust company or a corporate fiduciary; or

(B) as affording the services or performing the duties which by law only a bank or trust company or a corporate fiduciary is entitled to afford and perform.

(b) A financial institution organized under the laws of any state or the United States ~~that establishes a branch office under this title~~ is authorized to do business **in Indiana:**

(1) at ~~that~~ its principal office;

(2) at any branch office; or

(3) otherwise;

using a name other than ~~the its official entity name of its home office.~~ **if the financial institution notifies the department at least ten (10) days before using the other name.**

(c) Notwithstanding the prohibitions of this section, an out-of-state financial institution with the word "bank" in its legal name may use the word "bank" if the financial institution is insured by the Federal Deposit Insurance Corporation or its successor.

(d) Notwithstanding subsection (a), a building and loan association organized under IC 28-4 (before its repeal) may include in its name or title:

(1) the words "savings bank"; or

(2) the word "bank" if the name or title also includes either the words "savings bank" or letters "SB".

A building and loan association that includes "savings bank" in its title under this section does not by that action become a savings bank for purposes of IC 28-6.1.

(e) The name or title of a savings bank governed by IC 28-6.1 must include the words "savings bank" or the letters "SB".

(f) A savings association may include in its name the words "building and loan association".

(g) Notwithstanding subsection (a), a bank holding company (as defined in 12 U.S.C. 1841) may use the word "bank" or "banks" as a part of its name. However, this subsection does not permit a bank holding company to advertise or represent itself to the public as affording the services or performing the duties that by law a bank or trust company only is entitled to afford and perform.

(h) The department is authorized to investigate the business affairs of any person, firm, limited liability company, or corporation that uses "bank", "banc", or "banco" in its title or holds itself out as a bank, corporate fiduciary, or trust company for the purpose of determining

C

whether the person, firm, limited liability company, or corporation is violating any of the provisions of this article, and, for that purpose, the department and its agents shall have access to any and all of the books, records, papers, and effects of the person, firm, limited liability company, or corporation. In making its examination, the department may examine any person and the partners, officers, members, or agents of the firm, limited liability company, or corporation under oath, subpoena witnesses, and require the production of the books, records, papers, and effects considered necessary. On application of the department, the circuit or superior court of the county in which the person, firm, limited liability company, or corporation maintains a place of business shall, by proper proceedings, enforce the attendance and testimony of witnesses and the production and examination of books, papers, records, and effects.

(i) The department is authorized to exercise the powers under IC 28-11-4 against a person, firm, limited liability company, or corporation that improperly holds itself out as a financial institution.

(j) A person, firm, limited liability company, or corporation who violates this section is subject to a penalty of five hundred dollars (\$500) per day for each and every day during which the violation continues. The penalty imposed shall be recovered in the name of the state on relation of the department and, when recovered, shall be paid into the financial institutions fund established by IC 28-11-2-9.

(k) The word "bank", "banc", or "banco" may not be included in the name of a corporate fiduciary.

(l) A person, firm, limited liability company, or corporation may not use the name of an existing bank or bank holding company or a name confusingly similar to that of an existing bank or bank holding company when marketing to or soliciting business from a customer or prospective customer if the reference to the existing bank or bank holding company is:

- (1) without the consent of the existing bank or bank holding company; and
- (2) in a manner that could cause a reasonable person to believe that the marketing material or solicitation:
 - (A) originated from;
 - (B) is endorsed by; or
 - (C) is in any other way the responsibility of;

the existing bank or bank holding company.

(m) An existing bank or bank holding company may, in addition to any other remedies available under the law, report an alleged violation of subsection (l) to the department. If the department finds that the

C
O
P
Y

marketing material or solicitation in question is in violation of subsection (l), the department may direct the person, firm, limited liability company, or corporation to cease and desist from using that marketing material or solicitation in Indiana. If that person, firm, limited liability company, or corporation persists in using the marketing material or solicitation, the department may impose a civil penalty of up to fifteen thousand dollars (\$15,000) for each violation. Each instance in which the marketing material or solicitation is sent to a customer or prospective customer constitutes a separate violation of subsection (l).

(n) Nothing in subsection (l) or (m) prohibits the use of or reference to the name of an existing bank or bank holding company in marketing materials or solicitations, if the use or reference does not deceive or confuse a reasonable person regarding whether the marketing material or solicitation:

- (1) originated from;
- (2) is endorsed by; or
- (3) is in any other way the responsibility of;

the existing bank or bank holding company.

(o) The department may adopt rules under IC 4-22-2 to implement this section.
